## Plan deductible

Your plan has a deductible for certain services. The benefit information provided is a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. The Evidence of Coverage (EOC) provides a complete list of services we cover.

The deductible applies to the following Medicare-covered benefit categories, unless otherwise specified.

### Annual medical deductible

Your deductible is the 2024 Original Medicare Part B deductible amount for covered medical services you receive from providers as described below. The 2023 Medicare deductible amount is \$226. The 2024 amount will be set by CMS in the fall of 2023. Our plan will provide updated rates as soon as they are released. Until you have paid the deductible amount, you must pay the full cost of your covered medical services.

### Here's how it works:

1. You pay your plan's deductible in full; then,
2. You pay your copay or coinsurance; finally,
3. Your plan pays the rest.

The deductible applies in-network to the following Medicare-covered benefit categories, unless otherwise specified:

## About this plan

UHC Preferred Dual Complete FL-D01P (HMO D-SNP) is a Medicare Advantage HMO plan with a Medicare contract.

To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live within our service area listed below, and be a United States citizen or lawfully present in the United States.

This plan is a Dual Eligible Special Needs Plan (D-SNP) for people who have both Medicare and Medicaid. How much Medicaid covers depends on your income, resources, and other factors. Some people get full Medicaid benefits. Some only get help to pay for certain Medicare costs, which may include premiums, deductibles, coinsurance, or copays.

You can enroll in this plan if you are in one of these Medicaid categories:

- Qualified Medicare Beneficiary Plus (QMB+):** You get Medicaid coverage of Medicare cost-share and are also eligible for full Medicaid benefits. Medicaid pays your Part A and Part B premiums, deductibles, coinsurance, and copayment amounts for Medicare covered services. You pay nothing, except for Part D prescription drug copays (if applicable).
- Qualified Medicare Beneficiary (QMB):** You get Medicaid coverage of Medicare cost-share but are not eligible for full Medicaid benefits. Medicaid pays your Part A and Part B premiums, deductibles, coinsurance, and copayment amounts only for Medicare covered services. You pay nothing, except for Part D prescription drug copays (if applicable).
- Qualified Disabled and Working Individual (QDWI):** Medicaid pays your Part A premium only. The State Medicaid Office does not pay your cost-share. You do not have full Medicaid benefits. There may be some services that do not have a member cost share amount.
- Qualifying Individual (QI):** Medicaid pays your part B premium only. The State Medicaid Office does not pay your cost-share. You do not have full Medicaid benefits. You pay the cost share amounts listed in the chart below. There may be some services that do not have a member cost share amount.
- Specified Low-Income Medicare Beneficiary (SLMB+):** Medicaid pays your Part B premium and provides full Medicaid benefits. You are eligible for full Medicaid benefits. At times you may also be eligible for limited assistance from your state Medicaid agency in paying your Medicare cost share amounts. Generally your cost share is 0% when the service is covered by both Medicare and Medicaid. There may be cases where you have to pay cost sharing when a service or benefit is not covered by Medicaid.
- Specified Low-Income Medicare Beneficiary (SLMB):** Medicaid pays your Part B premium only. The State Medicaid Office does not pay your cost-share. You do not have full Medicaid benefits. There may be some services that do not have a member cost share amount.
- Full Benefits Dual Eligible (FBDE):** Medicaid may provide limited assistance with Medicare cost-sharing. Medicaid also provides full Medicaid benefits. You are eligible for full Medicaid benefits. At times you may also be eligible for limited assistance from the State Medicaid Office in paying your Medicare cost share amounts.
